Supernatural, Sam/Gabriel, Gabriel shows up in board shorts, a floral shirt & huge sunglasses

PG-13, contains Gabriel being awesome.

"Beach?" Gabriel's got a towel and a surfboard and everything, and he just showed up in the hotel room.

Sam looks at him. He's covered in blood, his shoes are wrecked, and Dean's still not back yet.

Gabriel just grins at Sam's bitchface and snaps his fingers.

Later, after the entire beach shrieked as one and left, Gabriel has dragged Sam into the water to get the blood off.

"Don't worry, I'll protect you from sharks," he croons, but Sam still hates him.

Even later, he doesn't hate Gabriel so much. Not after the sex on a surfboard on a giant wave that never seemed to end.
